

Friends of Ryerss Museum and Library

In January of 1974, the Friends of Ryerss, a volunteer community group, was organized to assist Fairmount Park in the care of Ryerss. The Friends of Ryerss is a not-for-profit organization dedicated to the stewardship of both the Library and Museum. Revenue from the membership and contributions help to defray the costs of operations, restoration, maintenance, and programs for children and adults.

Ryerss Museum & Library is located in the Fox Chase section of Philadelphia near the corner of Cottman and Central Avenues in Burholme Park. Ryerss can be reached by train: Septa R8 Fox Chase Line to the Ryers Station about 3 blocks from the museum; or bus route 70 stops at Central and Cottman.
